## Whitman-Hanson Regional Public Schools District Plan Overview 2015-2018-extended through 2020

<b>Mission</b>			
The Whitman-Hanson Regional School District is committed to providing each student with a successful high quality education that promotes student success and responsible citizenship.			
<b>Vision</b>			
The Whitman-Hanson Regional School District provides a safe learning environment and comprehensive student-centered learning opportunities that are relevant and challenging. In supportive partnership with all stakeholders, our district is committed to developing an academic foundation that emphasizes critical thinking, creativity, and communication skills. Each student, as a life-long learner, is prepared to face the challenges of the future with the skills needed to become a responsible citizen.			
<b>Core Values</b>			
We believe our schools: <ul style="list-style-type: none"> <li>• make all decisions in the best interest of students.</li> <li>• are committed to providing a safe, secure, and healthy environment.</li> <li>• set high academic standards that provide an opportunity for each student to reach his/her full potential.</li> <li>• model personal responsibility and an understanding and respect for others.</li> <li>• provide student-centered learning environments where successes and mistakes are valued as part of the learning process.</li> <li>• support staff initiative, innovation and professional development.</li> <li>• share the responsibility for education with students, parents, and community.</li> <li>• promote broad-based communication and school-family-community partnerships.</li> <li>• utilize technology as an essential part of teaching and learning.</li> </ul>

## **Hanson Middle School Impact**

### **Pillar 1 - Every Child Every Day *Healthy Bodies, Healthy Minds***

Continue to strive to implement a free, full day Kindergarten program for all students across the district

- The ability to have all students begin their academic career on a level playing field will pay dividends throughout their school years

Continue to develop and support the social-emotional learning and needs of students in our school, working collaboratively with the exSEL team and network:

- Create and expand the exSEL team to include multiple team members from our school.
- Continue to work with and support our counseling staff.
- Continue to train all staff through specific trainings and PD's on the importance of SEL and how to infuse it into all aspects of our school.
- Introduce conversations of the CASEL competencies across all classrooms to all students.
- Embed SEL age/grade appropriate benchmarks into all conversations (STAT, PLC, IEP/504 meetings, RTI, etc.)

### **Pillar 2 - A Cohesive PreK-12 System of Teaching and Learning *Engaged and Successful Students; Independent Learners***

- Revise and adapt and implement Social Studies Curriculum changes in Grade 8 to reflect 2018 Massachusetts Social Studies Frameworks
- Participation in implementing new 5th grade math curriculum. Provide staff with professional development, as well as time to discuss the implementation process within the building and across the district.
- Participation in 5th grade piloting of literacy programs. Provide staff with a protocol for evaluating pilots, as well as time to discuss programs within the building and across the district.
- Develop grade level assessments to measure attainment of standards, as well as a meaningful, engaging and classroom experiences.

### **Pillar 3 - Safe and Secure Schools**

- Provide training for all relevant safety protocols
- Develop a cyclical plan for implementation, practice and review of safety protocols
