

March 20, 2020

Good afternoon Whitman-Hanson Families,

I am writing with an update to my recent communications with the MA Commissioner of Education, Jeff Riley. At this time, there are no definitive plans to change the return date of school from April 7. However, this is a very fluid situation and may change depending on new information from Governor Baker.

This afternoon, you will receive an email from your child's building principal with educational resources to "Keep Learning Alive" as we all get through this extraordinary crisis impacting education. Principals and teachers will be available by email to answer your specific school-related questions.

Again, I would ask that you mindfully practice social distancing to lessen the spread of the Corona Virus. Non-exposure to the virus is the best way not to get sick! Please refer to this CDC webpage for continued updates recommendations so we can all do our part to reduce the further spread of COVID-19 at [CDC Website](#).

Sincerely,
Jeff Szymaniak
Superintendent of Schools
Whitman-Hanson Regional School District
